PROJECT NAME: SMART FASHION RECOMMENDER APPLICATION

1. ADD TO CART FOR E-COMMERCE WEBSITE:

2. PAYMENT PAGE:

3. QUERY FORM PAGE:

The screenshot shows a web browser window with the address bar displaying "localhost:8080/Fashion%20Trends/index.html#blogs". The page features a navigation bar with the "Shop" logo and links to Home, Products, Featured, Review, Contact, and Blogs. On the right of the navigation bar are icons for search, shopping cart, heart, and a user profile labeled "Admin". The main content area is titled "Feedback Or Query Form" and contains four input fields: "your name", "your email", "your number", and "your subject". Below these is a larger text area for "your message" and a red "Send Message" button. A floating chat icon is visible on the right side of the page. The Windows taskbar at the bottom shows the search bar, taskbar icons, and system tray information including temperature (28°C), time (11:34), and date (18-11-2022).

4. ABOUT PAGE:

The screenshot displays the "About" page of the "Fashion Trendz" website. The navigation bar is identical to the previous page. Below the navigation bar, there are three date-based sections: "30th Oct, 2022 By Admin", "03rd Nov, 2022 By Admin", and "7th Nov, 2022 By Admin". The main content area is divided into three columns: "About Us", "Category", and "Quick Links". The "About Us" section describes the shop's mission and founding. The "Category" section lists product categories: Men, Women, Kids, Best Seller, and New Arrivals. The "Quick Links" section provides shortcuts to Home, Products, Featured, Review, Contact, and Blogs. Below these columns is an "Extra Links" section with a link to "My Order". A floating chat icon is present on the right. The Windows taskbar at the bottom shows the same system information as the previous screenshot.
